

New Day Christian Ministry Minister's Retreat 2016

We are proud to announce our second annual Pastor's Retreat!!

Over the years we have come to realize the many pressures pastors and their families face from day to day in ministry and in their personal lives. It is our desire to provide this unique opportunity for pastors and their families to come together to minister to one another and to be ministered to. We hope that we will see you, or your pastor, and your/their family for this very special ministry to these men and women of God.

This year's retreat will be held:
Nov. 10-12
**at Laurel Lake Baptist Camp in
Laurel, Kentucky**

Over the years the camp has provided great opportunities for folks of all ages to come to a place where they can grow closer to God and one another. The director of the camp is a long time friend of David's and has given us a very special rate.

The cost of this year's retreat is \$70 per person. This covers all expenses including lodging and meals. Children 2 and under are free.

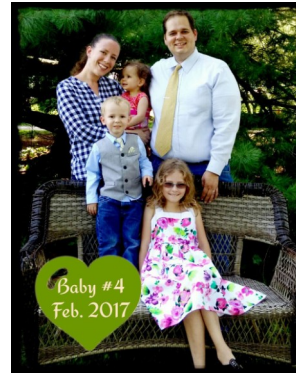

We are hopeful that our fellow brothers and sisters in the Lord will be willing to support this ministry to pastors with a special gift to offset the cost for them and their families wishing to attend.

All pastors must preregister to attend.

See you real soon!!!

Special Request

David and I would like you all to be praying with us about several things: going on a furlough with a family of 5 requires vehicle space; space for luggage, a projector screen, Joannah's play pen bed, and of course 3 car seats of various sizes. This means we will need a vehicle bigger than a compact car. If you and your church group could begin putting the word out to everyone that a missionary family is looking to use an RV or van for furlough, that would be helpful. If an RV isn't available to us then acquiring a van would be our next option. A moderate sized RV would really be the ideal solution; as most of you know we have 3 highly energized children and staying with people while we travel isn't always easy. We know God already has a plan already in place and knows how our needs will be met, whether it be through an RV or a van and really patient and hospitable people willing to open up their homes to our unique family!

This is our most urgent need at the moment; our next need would be that speaking dates at churches begin to get filled and that God would have His hand upon our schedule. Traveling across States from church to church, homeschooling, and making it back to Ohio for my doctor visits will be tricky to juggle. We also ask prayer also for safe travels.

Thank you so much and God bless you,
Heather Ingram
