Servants of the Lord Jesus Christ

Merry Christmas and Happy New Year!

What an amazing year it has been! The Lord has blessed us with many opportunities to serve Him this past year and we are grateful. We did and saw more than we would have ever hoped and at the same time did not accomplish all that we would have liked to. I guess it is true what they say, "The largest room in the world is in fact, room for improvement." Still this was a very satisfying year. As we have shared and you have read from others in this newsletter, the leaders training conference in Nairobi, Kenya was wonderfully blessed. The Lord accomplished more than any of us will ever know this side of Glory. Heather, Hannah, and I spent close to a month in Kenya this past summer preparing for and wrapping up the conference and VBS for the two schools and we look forward to next year with great expectations. *(Perhaps the Lord is leading you to join us this next year. Please let us know.)* We left Africa and traveled back to Ohio

where we spent some time recuperating and visiting with family and friends. We have had 2 furloughs these past 5 years where we have traveled extensively visiting, speaking and sharing with churches and groups about New Day and all the Lord is doing and they have been awesome. We have met so many wonderful brothers and sisters in the Lord. Unfortunately both times we have not been able to really spend much time with our families and friends back home. This last trip to the states after Africa we chose not to travel extensively, although we did make a short trip to Tenn. to be involved with Pleasant Grove Baptist Church's VBS and we had a wonderful time. Apart from this short trip we stayed close to family and friends. It was a wonderful blessing to just be able to enjoy good quality time with those we love so much and see so little of.

We returned to Puerto Rico in August and celebrated our 6th wedding anniversary. The first couple months was spent getting caught up with all that happened in Africa and getting organized with all of the branches, and also updating the web page. We are now pretty much organized. I start working around 8:00am each day and work until about 5:00pm on administrative activities: video conferencing with branch leaders, answering emails, text messaging, publishing Bible studies to the online library, editing and sending things to be edited by some of our wonderful volunteers. Each day is new and different. We never know what the day will hold but look forward to each new challenge.

We started holding Bible Studies in our home on Sunday evenings a couple months ago with the Deaf, their families and friends. We have our services in all three languages: English, Sign and Spanish. We are grateful that so many are coming to join us. It has always been important to us that we bring families together. It is our desire that the Deaf and their families learn and grow from one another. We have not been able to afford to travel to teach our sign language classes so we have been having them here at the house and they are being taught by the Deaf to their families. They are all excited and enjoying it greatly. It has been a wonderful year and we look forward to the next with great expectations!

New Day Online

There are currently 15 New Day Christian Ministry churches in 5 countries of Africa. They are located in Kenya, Uganda, Tanzania, Burundi and the Congo. There are also 3 NDCM churches in Pakistan. We will be adding web pages for each branch as we continue to get organized and gather their information. Communication is slow from many of these branches because of the great distance between them and their limited access to computers. You can see all the branches that have a web page so far at: <http://www.newdaycm.org/africa.html> and <http://www.newdaycm.org/pakistan.html> Each NDCM church is reaching out to the world where they are with the love of Jesus Christ. As they reach out they need your help to serve the Lord where He has them. We pray that you will take the time to visit each New Day Church's web page and see if the Lord is leading you to get more involved with them or some of the churches that have shared in this newsletter and pray about how you, your church, or Sunday school class can partner with us to assist these precious saints as they go into all the world making disciples. Perhaps you are wondering: what is a New Day Christian Ministry Church? The New Day Christian Ministry churches have all been started either through our mission outreach efforts or through our online Bible Study Ministry. More than 1,000 people in over 80 countries work through the lessons on our online library each month. We invite you to view our Online Library and feel free to use whatever materials you find there that will be a benefit to you and your church. The web address is: <http://www.newdaycm.org/onlinebiblestudy.html>. Many who have started working through the lessons in our library then felt the Lord leading them to gather together with others to share what the Lord was teaching them. Many print the lessons and share them with their friends and families. Each New Day Church has registered with New Day Christian Ministry and made a declaration of their agreement with our: Name and Vision, Ministry Goals, Statement of Faith, & What kind of church are we? You are welcome to view these documents at anytime at: <http://www.newdaycm.org/leaderscorner.html> or write to us with your request to receive these documents by mail at PO Box 801438 Coto, Laurel PR 00780 and we will get them to you. God is doing so much we cannot tell it all!

New Day Christian Ministry Mogoko's /Saika Report

Dear brother David,

I am happy to take this new day the Lord has given to us as a free gift. Glory be to God always and forever. I hope this letter will find you and your family well in the Lord. I would like to give thanks for your donation. You gave for food. May God bless you greatly and we have appreciated it very much. Our children in the orphanage are much happy since they get daily meal in school. I have attached some pictures and receipts for NDCM Kayole and NDCM Saika....

Brother David, that is how we spent the money you sent. May God bless those who are supporting these vulnerable children. We are praying for God to enlarge your territory so that you can be able to stand with us in this feeding program here every month. May God bless you greatly. We miss you greatly. I look forward to hearing from you soon.

Yours in service ~ Naomi Nyaboke ~ New Day Christian Ministry Mogoko

New Day Children Sponsorship: The children in the sponsorship are members of New Day Christian Ministry churches in Africa. We currently have about 70 children that need a person to sponsor them for \$25 a month. This is a great opportunity for you or your Sunday school class to make a real difference in a child's life. Do you feel the Lord leading you to reach out to one of these little ones? If so we encourage you to do so today. You can learn more about these children at: <http://www.newdaycm.org/newdaychild.html>. You can send your sponsorship support to New Day Christian Ministry, PO Box 610, West Carrollton OH 45449 and be sure to write 'child sponsorship' on your check when you write. May God bless as you seek to serve Him!

New Day Christian Ministry Pakistan

New Day Christian Ministry currently has 3 churches in Pakistan. They are: **New Day Christian Ministry Faisalabad, New Day Christian Ministry Toba Tek Singh & New Day Christian Ministry Pakistan: Lahore Branch**

New Day Christian Ministry Faisalabad

Greeting in the matchless name of Jesus Christ. We are New Day Christian Ministry Faisalabad Pakistan. God is using us in the city and rural areas. We are providing free Gospel song tracks to the Christian people. They enjoy listening to the Gospel songs. Now a days we are making Christmas song CDs which we are introducing as New Day Christian Ministry Faisalabad Pakistan. It is great honor for us to be a part of New Day Christian Ministry. We are providing free Christian books because most of the Christian people of Pakistan cannot afford to buy a book themselves because they are too expensive. When they come into the church we give them the free Christian books/Bibles. We go out to preach the Gospel in the Muslim villages, distribute Christian books and Gospel songs, and minister to Christian pastors and leaders to help them reach out with the Love of Jesus Christ and to be able to share the truths of God's Word.

Future Goals

- 1-To Establish a Library for Christian and Muslims so that they will come into the library and read the word of God and other Christians books. Many Muslims in Pakistan want to convert to Christianity but they are afraid to because other Muslims will kill them. When they come into the Library, they can have the opportunity to know more about the word of God.
- 2- Provide help for those seeking an education and skills and to give knowledge and a formal education to children and women. Most of the Christians of Pakistan do not have good jobs because they have no resources to get an education and work skills. We want to help them to get an education and the skills they need.
- 3-.To plant New Day branches, build worship centers, and improve the quality of Pakistan. As we have shared, Pakistan is a non Christian country. There are very few churches here and we need the Gospel of Jesus Christ to be shared throughout Pakistan. Therefore we want to build churches in the villages where they can come easily and can receive the Gospel and understand more about the word of God. God Bless you and Please Pray for our work and Ministry.

New Day Christian Ministry Toba Tek Singh

Greetings! We are New Day Christian Ministry Toba Tek Singh. It's all in God's plan for us to be a part of New Day Christian Ministry. With the blessing of God, when the Lord provides, we try to feed to the children as much as we can. We feed our village children with rice. We are helping orphans, pastors, and poor families. There is a pastor in our village that we are supporting monthly. There is a Christian family in our village. They have 6 family members, a mother and 5 children. The father died 6 months ago. Nobody in their family is able to work in order to provide the food for them. We are helping them each week to get food. We are helping them as much as we can. We are sharing our clothes also with them because it is very cold in Pakistan. We are not able to buy them new warm clothes but we share with them our warm clothes instead.

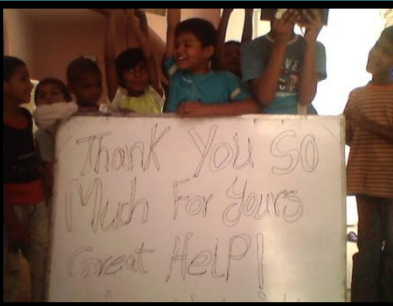

Each Christmas in our village, our ministry has a prayer meeting. We invite the pastors from other cities and villages and we also invite people in. As Christmas time grows closer, we will ride our bicycles into different villages of Pakistan and we will preach the Words of God there and we will invite the people to come to our village to celebrate Christmas together and have a big prayer meeting. I believe that God has a great plan for this coming Christmas.

Future Goals

1. We want to provide Bibles to the people in Pakistan. There are lots of villages here in Pakistan where Christians live and don't have Bibles. We want to provide free Bibles to everyone as God provides.
2. We are planning to buy a printer and we want to print the online material from the Internet and after translating them into our Urdu language (Urdu is our Native language here) we want to give to hand them out to our congregation. If it is God's will we will be able to do it very soon.

Bibles For The World / The Jesus Film

This past month we were able to purchase Bibles and distribute them to all 50 families of the *New Day Christian Ministry Toba Tek Singh Branch* in Punjab, Pakistan. Now 450 people have daily access to the Word of God in their language for the first time. What a wonderful Christmas gift! We want to thank all of you who continue to support our Bible distribution ministry. There are so many who need Bibles and it is often very difficult for them to obtain them. May the Lord bless and use you to share His Word around the world. **"For as the rain comes down, and the snow from the heavens, and does not return there, but waters the earth, and makes it bring out and bud, and give seed to the sower and bread to the eater; so shall My Word be, which goes out of My mouth; it shall not return to Me void, but it shall accomplish what I please, and it shall certainly do what I sent it to do."** (Isa 55:10-11)

Are you familiar with the "Jesus" film? Two NDCM branches in Pakistan: Faisalabad and Toba Tek Singh, who are located in the province of Punjab, Pakistan will soon be working together to show the Jesus film to the surrounding villages. We have been organizing and making the plans for them to be able to use a projector to show the movie as a theater type viewing in the villages where they serve the Lord. Please pray for this awesome opportunity to share the Gospel in Pakistan. We will need \$70 to rent a projector for a weekend of showing the Jesus film in Punjab, Pakistan. If you feel led to support this outreach please send your special donation to New Day Christian Ministry and write "Jesus Film" in the memo section of your check or you can give your special donation on our web page. <http://www.newdaycm.org>

Ministry Support

As you have read through our newsletter you have had an opportunity to learn a little more about what the Lord has been doing through New Day Christian Ministry. We started out as two people saying, "Here are we Lord send us". Now 5 years later this request has grown into a reality far greater than we could have ever imagined. We have traveled further and seen more than we could have dreamed. Today we are still saying here we are Lord send us. Through God's grace and mercy many now have joined us as they too are saying, "Here am I Lord send me" and we are so grateful they have joined us. It has not all been easy, but we never expected it to be. We do not and cannot do this on our own. We trust the Lord each and every day. Our ministry has expanded far greater this year than we could have ever dreamed, while at the same time, the financial support we need to pay our month to month bills has dwindled. We have lost 5 regular supports these past two years. Sadly we have also seen that many churches are cutting their missionary support from their budgets affecting several of our missionary friends. That is why we are so grateful to those of you who have remained faithful, and those who have stepped in and are making sure this work continues. This is truly God's work and we are very grateful for all that He has been doing. We are very grateful that the Lord has been using many of you to accomplish it. This month has been more difficult than most. We are praying the Lord will touch the hearts of a few who will partner with us in this coming year as we look forward to all the Lord has prepared.

We encourage you to pray and seek the Lord's will concerning whether or not it is His desire for you to invest your prayers, time, & financial support in this work. If you feel the Lord leading you to become more involved with supporting New Day Christian Ministry and the many opportunities we have shared with you in this newsletter please go to our web page at: <http://www.newdaycm.org/ministrysupport.html> where you can find ways to support the ministry work God is leading you to. Your donations can be made by check or credit card, by clicking on the donate button under the ministry the Lord is leading you to. You can also send your donations by mail. Please be sure to write in the memo of your check or include a letter that will share with us where the Lord is leading you to invest your prayers and financial support.
